### SILKS.

By to announce to their very numerous patrons in Town and surrounding country, that their importations for this season are now complete in every department.

Our buyer has, as usual, visited the Old Country markets, where our stock has been selected with utmost care. Our goods have been bought from the

### Largest and most Reliable Houses

in Great Britain. Our buying ability to dispose of VERY LARGE QUANTITIES of leading lines in general Dry Goods, has enabled us

### TO BUY DIRECT

FROM MANUFACTURERS AND THE LARGEST EXPORTERS,—

firms who usually sell only to the wholesale trade. By this means we

### SAVE FULLY FIFTEEN PER CENT.

and can realize a fair profit by selling at a small advance on regular Wholesale prices.

Notwithstanding the continued depression of trade generally, we are happy to say we have experienced no falling off, but on the contrary a considerable increase in the volume of our trade. This we attribute to the fact that our customers have been

### FULLY SATISFIED

with the fair treatment and attention they have received, also with the price and style of goods they have bought. We give below a List of Departments to which we give special attention, and will at all times be found to contain, by far

The Largest Variety of Goods to be seen in this part of Canada.

We solicit an Inspection of our Stock.
